Aesthetics Technology

The mission of the Aesthetics Program is to prepare the student for a career in the skin care and beauty industry. This program specializes in the study of skin care and offers instruction in keeping skin healthy, attractive, and well maintained. Students will complete a basic Aesthetics curriculum while demonstrating competence in theory and practical skills. Students are required to complete supervised laboratory Aesthetic procedures on live clients. Graduates will obtain a diploma and a license by the Tennessee State Board of Cosmetology upon successful completion of a written and practical examination.

All book and supply costs are estimates and subject to change without notice.
