

EAST TENNESSEE STATE
UNIVERSITY

LPN to BSN Program

Focused on providing a more accessible, accelerated option for the LPN desiring to complete the BSN degree.

Program is a combination of online and ITV courses.

- Nursing coursework consists of five (5) fully online courses, six (6) ITV courses, and three (3) clinical intensives.
- Completion of nursing core in four (4) semesters full-time enrollment or eight (8) semesters part-time enrollment
- Courses offered in both seven (7) and fifteen (15) week formats. Evening/nights/weekend classes.
- Clinical intensives offered in the student's geographical area.

Applications are accepted fall, spring and summer semesters.

General education courses must be completed prior to applying to the program.

New Licensed Practical nurses may enroll immediately after completing the practical nursing program.

Don't wait - Enroll today!
