Truck Driving

The mission of the Truck Driving Program is to prepare students for “entry-level” employment as tractor-trailer drivers by providing the identi-fied knowledge and performance skills neces-sary to pass the Commercial Driver’s test. The Truck Driving Program prepares individuals to build skills in safety practices, operation, vehicle maintenance, and non-vehicle activities associated with truck driving. Instruction includes the operation of vehicles on the interstate, on two-lane highways, in the city, backing and maneuvering. Also included are recordkeeping, and performing pre-trip/post-trip inspections and defensive driving.

Truck driving prepares students to pass the Commercial Driver’s License (CDL) test. TCAT enrolls each month into the seven week program. This is a full time program, Monday-Friday 7:00-3:00 pm. The course is divided into two sessions. The first session consist of three weeks of classroom instruction at TCAT Upper Cumberland. After completing the class work you will begin four weeks of training with a driving instructor.
